

In the March 17, 2011 *Federal Register* the U.S. Department of Education Office of Postsecondary Education announced the availability of funding for the International Education Program (Catalog for Federal Domestic Assistance number 84.153A). The purpose of this program is to enhance international business education programs and to expand the capacity of the business community to engage in international economic activities.

The application deadline is May 2, 2011

Eligible applicants include institutions of higher education that have entered into agreements with business enterprises, trade organizations, or associations that are engaged in international economic activity or a combination or consortium of these enterprises, organizations or associations for the purposes of pursuing the activities authorized under this program.
